

Dr. Dillin is a member of the Kerlan-Jobe Orthopaedic Clinic and the Cedars Sinai Medical Foundation.

Please sign up for My CS-Link- as an Established Patient if you have not done so already. You will be sent a link within 7 days of any appointment that you make with Dr. Dillin.

The benefits are communication with personnel and practice information from your home or office:

communicate with Dr. Dillin and Nicole Welsch, MA through messaging, communicate with Keena Giles, practice coordinator and surgery scheduler. Book and request appointments, access your medical information, prepare for your office visit.

The benefit of preparing for your appointment:

complete Demographics, Allergies, and Medications sections before your office visit.

Next Appointment Information:

Please bring your imaging on CDs and any radiology reports for those imaging studies [MRI, X-Ray, CAT Scan]

Please bring any procedure notes [injections or surgery] if you possess them.

Patient information forms are filled out at the time of the appointment that contain valuable information for your spine condition and potential diagnosis and management.
